PREMIUM: PAYMENT, DUE DATE, GRACE PERIOD AND CONSEQUENCE OF NON-PAYMENT

Annual Premium Payment

For cover to start, we must receive your premium within 30 days of the start date. If we do not receive your premium, your policy will not start.

If you want to renew your policy, we must receive your premium within 30 days of the anniversary date. If your payment is not received, the policy will not renew. You will only have cover up to midnight on the last day of the year that we have received a premium for.

Monthly Premium Payment

If you pay monthly in advance and we cannot collect the premium on the debit order date, we will try to debit your bank account on the following debit order date with the outstanding premium and the new premium due for the current month.

In the event that only one premium is received this premium will be utilised for the first monthly unpaid premium and the current month's premium will remain unpaid and will be re-debited at the next debit date.

If we still cannot collect this premium, the policy will end on the last day of the month that we received a premium for.

If you have a claim during a period when a debit order has not been paid, (depending on the reason for being unpaid) at the company's discretion, we will consider the claim only when we have received the outstanding premium.
